SUBJECT: ***Miller & Hartman Prison Opportunity***

Dear Jay:

As per our conversation, attached is information supplied by Miller & Hartman concerning their contract with New York City Prison facilities for 1997. Jay, I would appreciate if you would forward this on to the appropriate personnel in charge of New York prisons. Concerning Miller & Hartman's recommendation to ship Winston, this can be changed, based upon our local management decision on what brands to work.

Jay, please advise on what course of action our local management in New York would like me to take with Miller & Hartman.

Sincerely,

J. A. Morris
